

Supplemental Summary of Witness Statement: Dean, Robert CAPT

Date Statement Given:	10 April 2007
Witness Name:	CAPT Robert Dean, USCG
Unit:	SMTC
Date/Time/Place of Incident:	25 Mar 07
Position:	Commanding Officer of SMTC

This is a follow up to my original summary of witness statement for CAPT Dean:

I asked him during the 10 April conversation about the tactics of MSST Anchorage while they were escorting the ferries in Seattle. CAPT Dean stated the Tactical Coxswain course does not provide specific guidance that power turns are prohibited during an escort of an HVA such as a ferry.

Dated:

9/19/07

The supplemental summary above was reconstructed from notes and is factually accurate.
